

شركة إف بي إتش الخاصة المحدودة

FBH COMPANY PVT. LTD.

Introduction

FBH Company Pvt. Ltd. is a group of Companies, established in Riyadh, Saudi Arabia in January 2020, as a branch Company of Al-Rataal (Established in 1999), with clear vision and purposeful values consisting of various divisions.

FBH is concerned with providing One Stop Service Solutions.

FBH Company has various division in the Kingdom's region, & any type of Mechanical, HVAC, Fire & Safety,

Building construction, Electrical & Plumbing scopes, Bulk Quantity requirements of any specific product can be provided to our Client managing the complete logistics with competitive prices.

FBH doesn't hesitate to develop new divisions while hiring as well as managing Manpower, Sub- Contractors to finalize the Client requirements by managing them with our expert team of Engineers & Supervisors in our Facility Management Division.

Our main aim is to be the One Stop Platform for providing various kinds of services, trades, facility management, & more while keeping the prices reasonable & fulfilling our Client Requirements which results in building long-term business relations & trust of our Clients.

Vision

To be well recognized as leading contributor in the field of Facility Management, Construction Services, services & maintenance of all kinds (Low Current, CCTV, HVAC, Design & Implementations), specific trades, etc., in the Kingdom of Saudi Arabia, based on excellency, trust, honesty and integrity.

Mission

To continue building on our reputation as a consistent and reliable company that values its clients, partners, and employees, ensuring on-time delivery with standard levels of safety and quality.

Guiding Principle

FBH guiding principles are: “ Health, Safety, Quality, Environment, Perfection, and Delivery are PRIORITIES; Profit is PREFERENCE”.

Values

Client Focus

We proactively assess and address our customer's business needs, and earn trust by delivering practical, flexible, and adaptive solutions that deliver long-term value.

Commitment

We take pride in doing everything to meet our commitment to deliver quality products on time, within budget and ensure utmost customer satisfaction.

Safety & Environment

We never compromise on safety and the environment. Deadlines and Monetary considerations never override our responsibility to keep our people safe and the environment clean.

Integrity

We are honest and ethical in all our relationships and over the years have gained a reputation for our integrity and trust from our clients, subcontractors and suppliers. We are always on guard against any lapses in judgement that could tarnish our reputation.

Ingenuity

Inventiveness and innovations are the hallmarks of our existence. We believe that each project is unique and we adopt ingenious methods to meet the new challenges.

Flexibility & Adaptability

We are flexible and willing to adapt to overcome any requirements and challenges and we believe it as one of the many reasons why we continue to be the preferred partners of our Clients.

Our Business Outline

✓ CONTRACTING

Structural/Renovation of Offices, Villas, Restaurants, Café, with re-designing including complete scope of works like:

- Mechanical, Electrical, Plumbing (MEP)
- Tiles & Plasters
- Paint Works
- Epoxy Flooring
- Concrete Flooring/Repair
- Aluminum Cladding & Glass Works
- Carpentry (Wooden) Works
- Carpet Rolls/Vinyl Tiles
- False Ceilings
- Dismantling, Cleaning, & Shifting

✓ HVAC & AIR CONDITIONING

Design, Engineering & Equipment Services.

Furnish all specified HVAC equipment, including : Air handling units (AHUs), Condensers/Chillers, Furnaces/Boilers etc.

Install all HVAC equipment as per manufacturer instructions and project drawings.

Install all ductwork, piping (refrigerant, condensate, hydronic), and accessories.

Testing and Balancing: Perform air and hydronic testing and balancing (TAB).

Ensure system operates within design specifications.

- Supply & Installation of Window/Hi-Wall Split/Ceiling Concealed/Cassette/Floor Standing Air Conditioners
- Maintenance of All type of Air Conditioners(Including Chillers)
- Supply, Installation, Dismantling, & Maintenance of AC Duct
- AMC for Air Conditioners/Corrective Maintenance

✓ IT & SECURITY SYSTEMS

- CCTV Cameras (IP/Analogue/HD/Dome/Bullet)
- Intercoms
- Fingerprint locks
- AMC for CCTV cameras & Footfall system in all over KSA
- Custom Software Services
- Infrastructure Support
- Migrations & Upgrade
- Software & Security
- System Integration
- Web Development

We design, supply, install, test, and commission a complete low current system including Security Systems and CCTV, in accordance with project specifications and local authority regulations. System Design and Documentation, Review and interpret architectural and electrical drawings. Coordinate device placement with client/consultant.

Landscaping Services & Management

We design, supply, and install complete landscaping works including softscape, hardscape, and irrigation systems in accordance with approved drawings, specifications, and environmental guidelines.

Design and Submittals, Review and interpret landscape design plans. Site Preparation Clearing, grading, and levelling of site areas. Removal of debris, rocks, and unsuitable materials.

Supply and planting of Trees, shrubs, ground cover, and turf (natural grass or synthetic if specified) Flowering plants and seasonal foliage

Installation of planting soil, compost, and fertilizers. Tree staking, mulching, and root barriers (if applicable).

Maintenance and replacement during the defect liability period (DLP).

- Indoor Plants
- Agricultural Products & Accessories
- Importing & Exporting Plants
- Garden Maintenance
- Irrigation Networks
- Hardscape & Landscape

FBH TRADING DIVISION

FBH TRADING division has the dealership of ASMACO products which was incorporated in Sharjah, U.A.E. We have the best quality Silicon Sealants, PU Sealants, PU Foam, Spray Paint etc.

➤ OUR PRODUCTS

- ASMACO PU 90 Sealant(Grey/White,600ml/PC)
- ASMACOGOLD PU FOAM FIRE RETARDANTB1 GRADE (750ML/PC)
- ASMACOGOLD PU FOAM FIRE RETARDANTB2 GRADE (750ML/PC)
- ASMACOPU FOAM (330ML/PC)
- ASMACO PU FOAM GOLD (750ML/PC)
- ASMACO CONTACT ADHESIVE(2.5KG/CAN)
- ASMACO SUPER GLUE (3g 1 SINGLE PC BLISTERPACK)
- ASMACO SUPER GLUE (3g 12 PCS CARD)
- ASMACO GASKET MAKER (85g, Red/Blue/Clear/Grey/Black)
- ASMACOLD 50 (400ML CAN)
- ASMACO RS-20 (400ML CAN)
- ASMACO ACRYLIC 47 SEALANT GREY
- ASMACO FIRESTOP SEALANTRED

Landscaping

We plant and install natural grass, supply a wide range of trees, palms, flowers and outdoor plants of various types and sizes for residential and commercial garden projects.

OUR LANDSCAPING WORKS

Indoor Plants

We supply & install a wide range of indoor plants in all their forms, with the addition of various agricultural accessories and supplies such as basins and pots.

OUR LANDSCAPING WORKS

Irrigation Networks

We design, install, and maintain irrigation networks for commercial and residential properties. Our irrigation systems are efficient and effective, and they can help you save water and money.

Telecommunication (Optic Fibre)

We work for optical fibre (fibre optic) projects typically involves all tasks related to the design, supply, installation, splicing, termination, testing, and commissioning of fibre optic cables and associated equipment.

Site Survey and Planning

- Site inspection and route survey
- Identification of underground/overhead obstacles

Design and Engineering

- Network design: point-to-point, ring, or mesh topology
- Fiber route mapping (underground/overhead/in-building)
- Selection of fibre type (SMF or MMF)

Material Supply

- Fiber optic cables
- Patch panels, LIUs (Light Interface Units), enclosures
- Joint/splice closures, pigtails, patch cords

Installation

- Duct laying or aerial cabling
- Fiber cable pulling/blowing
- Cable laying in trenches, ducts, trays, or conduits

Favourite Business Experience- OSP, FTTB & FTTH Projects

Led and supervised field teams in the successful execution of telecom infrastructure works, ensuring compliance with approved design drawings, specifications, and safety protocols. Hands-on involvement in all phases of outside plant (OSP) construction and fibre network implementation, with responsibilities including:

- Scope verification, Pre Implementation Survey.
- Deployment of Safety to site, Installation of Project & Consultant sign boards.
- Trenching, site cleaning, and installation of HDPE & Micro ducts as per specifications & standard.
- Installation of Handholes (HH) and Manholes (MH).
- Concrete pouring.
- Installation of Cable trays, cable slacks.
- asphalt work milling & paving as per Municipality standard & specifications.
- Installation of telecom cabinets,
- rope installation, and cable pulling.
- Installation of ODBs at customer end.
- Installation of Joint Closures 48F, 96F, 144F & 288F.
- Installation of FAT closures & splitters.
- Installation of RACK, ODF & Patching in POP.
- Labelling & Tagging on cables & equipment.
- Power Meter & OTDR (Optical Time Domain Reflectometer) Testing
- Measurement of Insertion Loss (IL), Reflectance, and Distance to Fault
- Verification of ONT signal strength and power from the OLT
- Final Testing commissioning & Hand over the job to O&M team.

Key Projects Executed:

- Integrated Telecom Company (ITC) – FTTB Network, Riyadh.
- Mobily & Zain – FTTH Networks.
- SALAM – Fiber Network Deployment.

Favorite Business Experience Tahakom Smart Traffic Monitoring Projects

Actively involved in the Tahakom Smart Traffic Monitoring Project since November 2023, contributing to the planning, design, and successful implementation of advanced roadside enforcement systems across multiple regions.

Key Contributions:

- Conducted surveys and designed 135 sites, covering various enforcement systems including:
- Red Light Violation Detection.
- CCTV Surveillance.
- ILT (Illegal Turn Detection).
- Fixed Speed Cameras.
- System Upgrades.
- Private Bus Lane Violation Detection.
- Detection of driving without headlights at night.

Successfully implemented and handed over 76 sites, including:

- CCTV, ILT, Fixed Speed Cameras.
- System Upgrades and NVR Replacements.
- Private Bus Lane Violation Systems.

Responsibilities Included:

- Site survey, layout planning, and design coordination.
- Installation and configuration of enforcement and surveillance equipment.
- Cabinet installation, power and fibre connectivity, and system integration.
- Coordination with Tahakom central systems for testing and commissioning.
- Compliance with safety and quality standards throughout project phases.

SILICONESEALANT

ALL WEATHERSEALANT

ASMACO 2670 is a single part neutral curing silicone weather sealant with un-primed adhesion to most of the porous & non-porous construction materials like concrete masonry, UPVC, glass, EPDM, aluminium, polycarbonate, acrylic plastics, wood etc. The non-staining property of the product makes it suitable for marble & granite applications. The product is tested & certified for ASTM C 920, Type S, Grade NS, Class 50 & ISO 11600 LM 25. This product is suitable for cladding, glazing & curtain wall applications. ASMACO 2670 is a low VOC product that meets green building requirements.

MEETSASTMC 920S, Type S, Grade NS
Class 50, ISO11600 LM 25

Color	White/ Clear / Black / Grey
Packaging	280 ml x 24 pcs / box & 600 ml x 20 pcs / box

RTVSEALANT

HIGHTEMPERATURE

ASMACO HI-TEMP RTV SILICONE is a single component, non-sag, 100% RTV silicone sealant that cures to tough, rubbery solid at room temperature. This high temperature silicone is formulated to withstand temperatures up to 300°C. It can be used in numerous sealing & bonding applications.

HiTemp - UPTO 300°C

Color	Grey, Red
Packaging	24 pcs / box

ACRYLICDUCTSEALANT

ACRYLIC CAULK

ASMACRYL 47 is a acrylic base sealant for joints between construction parts subject to moderate stress. ASMACRYL 47 is ready for use & seals internal or external joints on porous surfaces such as concrete, plaster, asbestos, cementitious material, brickwork, cement, wood. It is not recommended for joints in continuous contact with water. Asmacryl 47 is a Low VOC, over-paintable product which meets green building requirements. Accommodates up to 20% joint movement.

20%
Joint Movement Capacity

Color	White/ Grey
Packaging	24 pcs / box

SILICONIZEDDUCT SEALANT

SILICONIZEDACRYLIC

ASMACRYL 52 is a single component formulated from high quality acrylic emulsions & special fillers. Hence, the product is easy to apply & efficiently seals joints of AC ventilation & ducts. Seals internal & external joints. Asmacryl 52 can be used for sealing all low movement joints. Asmacryl 52 is asbestos free & will not adversely effect plastic materials or corrode metals. Ideal for use on HVAC ducting application, sealing of duct holes, insulation foam joints, aluminium, MS or galvanized metal ducts etc. Asmacryl 52 is a low VOC & over paintable product & meets the green building requirements.

Low VOC

Color	White/ Grey
Packaging	24 pcs / box

SILICONESEALANT

FIRESTOP

ASMACO FIRESTOP SILICONE SEALANT is a single component high performance gun grade Fire-Stop Weather Sealant based on fire resistant Silicone formulation. The product is fire resistant, easy to apply & seals joints between construction parts subjected joint movement. ASMACO firestop silicone sealant helps to protect combustible & non-combustible penetrations for up to 4 hours fire rating. This product can be used for sealing all movement joints up to 50% & restricts the passage of fire & smoke from room to room & to escape routes. Since the sealant is low VOC & confirms to green building requirements. The product is certified as per ASTM C 920 Types S, G & NS, Class 50, use T, NT, M, G & BS476Part20.

Color	White
Packaging	280mlx 12 pcs / box & Sausages600 mlX 20 pcs / box

POLYURETHANEFOAM GOLD

ASMACO GOLD UNIVERSALMULTIFOAMTRIPLE EXPANDINGPUFOAM SEALANT

One component and ready to use moisture curing polyurethane foam mainly used for sealing of insulation sheets, filling of joints and cavities in walls and ceilings. Closed cell structure, resistant to water absorption. Excellent thermal insulation characteristics and very good acoustic characteristics. Suitable for sealinghigh volumelow movementgaps.CFC free.

Type	Hand Grade / Gun Grade
Packaging	500 ml / 750 ml x 12 pcs / box

POLYURETHANEFOAM -FIRERETARDANT(B1)

ASMACO GOLDPUFIRERETARDANTB1FOAMisa quick setting single component polyurethane foam with fire rating properties up to 240minutes. Itprovidesa firerated seal around window & door frames. It exhibits excellent adhesion to wood, metals door/window frames, glass, painted surfaces, some plastics, concrete, plasters etc after curing. Due to its closed cell structure, cured foam is resistant to water absorption. Cured foam dries rigid & can be trimmed, shaped & sanded . It has excellent thermal insulation characteristics & can be used for insulating hot /cold water piping, refrigerating systems etc.

Type	Hand Grade / Gun Grade
Packaging	750 ml x 12 pcs / box

POLYURETHANEFOAM -FIRERETARDANT(B2)

ASMACO GOLDFIRERETARDANTB2FOAMIt'sa ready to use, one-component, self-expanding, fire-retardant sealing foam with fire rating properties up to 120 minutes based on 1k Polyurethane technology. It hardens at ambient temperatures to a low-density mass by reacting with atmospheric moisture & on curing it exhibits excellent adhesion to wood, metals door/window frames, glass, painted surfaces, some plastics, concrete, plasters etc. Microcellular structure of the foam reveals a majority closed cell structure. It has excellent thermal insulation characteristics & can be used for insulating hot/cold water piping, refrigerating systemsetc.

Type	Hand Grade / Gun Grade
Packaging	750 ml x 12 pcs / box

RUSTREMOVER

SILICONEFREEPENETRATING OIL

ASMCO LD+50 is a lubricating & penetrating oil suitable for marine, household, garage & maintenance purpose. It's water repellent formula protects metal surfaces & loosens rusty fittings. ASMCO LD+50 is a silicone free formula & hence paintable after cleaning.

Silicone Free Spray

Type	Penetrating Oil & Anti Rust
Packaging	235 ml x 24 pcs / box & 400 ml x 12 pcs / box

STAINLESSSTEELPOLISH

Polish

ASMCO STAINLESSSTEELPOLISHCLEANER is new line of home care product which cleans, shines, polishes, & protects steel surface, chrome, architectural aluminium & other metal surface. It is used for other hard washable surfaces such as laminated plastics, enamel & ceramic.

Excellent Gloss Finish

Type	Polish
Packaging	450 ml x 12 pcs / box

RUSTREMOVER

SILICONEFREEPENETRATING OIL

ASMCO RS20 PRO is a fast-acting Silicone Free Rust remover & lubricant which penetrates deep into cavities, threads & seams. It breaks the rust that holds stuck parts together. It has been specially formulated to offer quick & easy removal of seized & rusted components like nuts, bolts, threads, locks, chains etc. It Cleans, lubricates, Stops squeaks & leaves a protective coating against rust invasion. Frees sticky joints. It dissolves grease, tar, adhesive, salt deposit etc. ASMCO RS 20 Pro is suitable for marine, household, garage, industrial & maintenance applications.

Silicone Free Spray

Type	Penetrating Oil & Anti Rust
Packaging	480 ml x 24 pcs / box

ELECTRONICCLEANER

CONTACT CLEANER

ASMCO ELECTRONICCONTACTCLEANER is specially design for the cleaning of Sensitive electrical / electronic parts. It is suitable for the removal of light contaminations, dirt, dust carbon, light oils & fingerprints with leaving no residue. Safe for most rubbers, plastics, & coatings.

Electronic Parts Cleaner

Electric Parts Cleaner

Type	Cleaner
Packaging	400 ml x 12 pcs / box

SUPERGLUE

INSTANT ADHESIVE

Fast Drying

High Bond Strength

Type	General Purpose
Packaging	12 pcs x 24 card / box & 144 pcs / pack

PROTECTIVE AND DECORATIVE

SPRAY PAINTS (COLOURS OF YOUR CHOICE) - Quick Dry Acrylic Based Spray Paint, gives bright finish, makes surface smooth, good to use both for interior & exterior applications. Highly recommended for use on automobiles, cycles & steel surfaces, wooden furniture, plastic articles, blinds, & other similar objects. Available in various colours. ASMCO SPRAY PAINTS provide good hiding power, coverage & protection against corrosion.

*With Press & Pull Cap

General Purpose

Color	Assorted
Packaging	12 pcs / box

LITHIUM GREASE SPRAY

Lubricate

ASMCO WHITE LITHIUM GREASE SPRAY is a premium quality, lithium based multipurpose aerosol lubricating paste designed to reduce friction between load bearing, moving metal surfaces & the combination of metal & plastic surfaces heavy-duty lubrication

ACRYLIC SPRAY PAINT

Lubricating Grease Spray

Type	Multipurpose
Packaging	400 ml x 12 pcs / box

SILICONE SEALANT

GLASS SEALANT

ASMCO GLASS SEALANT is a high-quality single component room temperature curing acetoxysilicone sealant designed to meet ISO 11600 25 LM specification. The product gives superior adhesion on glass & glazing surfaces. The product is resistant to Ozone, UV & temperature extremes. Suitable for all indoor & outdoor applications. Ideal for glass fixing, glazing & fish tank assembling.

Glass Fixing

Glazing

Fish Tank Assembling

Color	Clear / White / Black
Packaging	280 ml x 24 pcs / box

SILICONE SEALANT

FAST SEALANT

ASMCO GP FAST is a high quality Good Weatherability single component acetic cure silicone sealant which vulcanizes at room temperature, to produce a flexible elastomeric sealant. It is suitable for auto glass application, cladding, double glazing, bonding, sealing & repairing. It is resistant to ozone, ultra-violet radiation & temperature extremes.

Auto Glass Fixing

Double Glazing

For Cladding & Composite Panels

Color	Clear / White / Black
Packaging	280 ml x 24 pcs / box

CREPE PAPER MASKING TAPE

GENERAL PURPOSE

CREPE PAPER MASKING TAPE Crepe Paper coated with natural rubber adhesive. Easy tear, UV Resistant Tape. Highly conformable crepe paper to give clean release after application. Ideal use for masking, packing, marking, bundling, splicing & general applications.

General Purpose

Type	Self Adhesive Tape
Packaging	Customized sizes available

Our Products in Fire Protection & Detection Systems:

Fire Extinguisher

- Mechanical Foam Type
- Kitchen Type(Class K)
- Co2 Type
- Modular Type
- Stored Pressure

Wheeled Fire Extinguishers

- Carbon Dioxide Type(Co2)
- Dry Chemical Powder
- Foam/Water Based

Hydrant System

- Automatic Sprinkler
- Double Outlet Landing Valve
- Hose Reel Drum
- RRL Hose
- Short Branch Pipe with Nozzle

Fire Alarm System & Signages Safety Equipment

Our Products in Fire Protection & Detection Systems:

Wheeled Carbon dioxide Type

Wheeled Dry Chemical Powder

Modular Type

Clean Agent Type

Water Cartridge Type

Twin Trolley

Our Products range for Industrial Valves & Automation

- ✓ Ball Valves
- ✓ Gate Valves
- ✓ Globe Valves
- ✓ Check Valves
- ✓ Butterfly Valves
- ✓ UPVC Valves
- ✓ Fire Hydrant Valves
- ✓ Safety Valves
- ✓ Lined Valves
- ✓ Multi- Port Ball Valves

Our Products range for Industrial Valves & Automation

Few of Our Clients

- **First Gulf Company.**
- **Arkan Al-Afdal Contracting Company.**
- **BECHTEL**
- **Batco Telecom & IT Solutions.**
- **Asloob Bedaa Contracting Company.**
- **Faris Al-Reem Contracting Company.**
- **KAEFER Saudi Arabia.**
- **Modern Building Leaders (MBL) Contracting Company.**
- **Masah Specialized Construction Co.**
- **Dar Arms International Contracting Company.**
- **Al – Fanar Company**

THANK YOU

We are grateful for your interest in our company. Should you have any questions, clarifications, or if you'd like to schedule a consultation with us, feel free to contact us down below. We hope to serve you soon!
